

Bateman Service Engineers

Bateman is a family owned business and we design, manufacture and maintain a market leading range of innovative self-propelled crop sprayers.

We are based in North Devon, where all of the components of our machines are made and assembled – we are 100% 'Made in Devon'. We work with leading and innovative farmers in the United Kingdom and abroad.

Opportunities are now available for Bateman Service Engineers. **We are looking for full-time, permanent Service Engineers** to deliver our excellent service level standards.

If you;

- **Have current agricultural engineering experience - mechanical, hydraulic and/ or electrical or strong transferable skills/experience.**
- **Are self-starting, motivated and able to manage your time well.**
- **Have a positive attitude and enjoy meeting people.**
- **Have great communication skills, are reliable and understand the importance of detail.**
- **Want to learn new skills and get job satisfaction.**
- **Are prepared to travel, including overnight stays.**
- **Can be an effective team member and also work alone.**

We will;

- Provide you with a branded company van, laptop and phone.
- Cover your hotel accommodation and business expenses.
- Provide an in-house induction, orientation and training program to get you to our 'Bateman Certified' level.

If you would like to know more, please give us a call on 01769 580439 or email Aideen at Abateman@batemansprayers.com to discuss the role in further detail. We look forward to hearing from you.
