## WELDER

Bateman are recruiting **Welders** to join their friendly team to maintain the high standards we are renowned for. **We design, manufacture and maintain self-propelled Bateman Crop Sprayers to the highest standard at our factory in North Devon.**

We are based near Chulmleigh, where all of the components of our sprayers are made and assembled - we are 100% 'Made in Devon'. We work with leading farmers in the United Kingdom and abroad.

If you;

- Are self-starting, motivated and able to manage your time well.
- Are reliable and understand the importance of detail
- Want to learn new skills and get job satisfaction. All our welders receive in house training.
- Can be an effective team member and also work alone.

Then this could be an excellent opportunity for you and your career.

In return:

- We offer excellent rates of pay
- Training
- A friendly working environment.
- Job Satisfaction - producing a valued worthwhile British product.

To apply, please email [aideen@batemansprayers.com](mailto:aideen@batemansprayers.com) or phone Aideen on 01769 580439. We look forward to hearing from you.
